You can fly to Fuerteventura directly from most European countries. For those of you who can't fly direct you can also fly via Madrid or Barcelona or even via one of the other Canary Islands. There are many airlines which operate scheduled flights to Fuerteventura on a regular basis.

Airport transfers: There are buses but taxis are cheap here too. A taxi journey from the airport to Corralejo for example, will cost you about €30.

FREESTYLE: COMPETITION FROM 22nd – 26th JULY
